

FX Solutions Appoints Cairns New CEO

Saddle River, New Jersey, April 29, 2009 – FX Solutions (www.fx solutions.com), a leading online foreign exchange brokerage, today announced the appointment of Michael Cairns as its Chief Executive Officer. Cairns was previously Director of Trading & New Product Development.

“Mike has had the perfect training for this role,” said Robert Cortright, Co-CEO and Co-Founder of FX Solutions. “He has run the trading desk, risk management, and personally helped to develop the Company’s GTS trading platform.”

Robert Cortright and Thomas Plaut, Co-CEO's and Co-Founders of FX Solutions, have decided to pursue personal interests after eight dedicated and successful years at the Company.

“Bob and Tom exemplify true entrepreneurs and have fulfilled the American dream. They started FX Solutions with nothing more than a vision of the future and the determination to make it a reality,” said Brett Miller, Chief Marketing Officer. “Starting in 2005, the Company was recognized for three consecutive years by Inc. Magazine as one of America’s 500 Fastest-Growing Private Companies. That is a rare achievement and just one example of their success.”

Cairns, who was the fifth employee to join FX Solutions, will assume the role of CEO immediately.

About FX Solutions

FX Solutions, LLC was founded in 2001 by two foreign exchange veterans with over 50 years combined experience. The Company is a leading online foreign exchange (FX) broker, operating as a market-maker to retail and institutional clients. With a focus on advanced trading technology solutions, the firm serves retail clients, white label partners, institutional trading partners, introducing brokers, fund managers and their clients. Leveraging its proprietary interbank market price feed and custom-built Global Trading System platform (GTS), FX Solutions sets high standards for execution speed, price transparency and efficient client management.
